LEGAL NOTICE NO. 2 OF 2021

Public Health (COVID-19) (Risk Determination and Mitigation Measures) Regulations, 2021

In exercise of the powers conferred on me under sections 16, 17, 18, 38 and 43 of the Public Health Act, 1970¹, and in respect of the disaster-induced state of emergency declared by the Right Honourable the Prime Minister under sections 3 and 15 of the Disaster Management Act, 1997² against COVID-19 pandemic, I,

MOTLATSI MAQELEPO

Minister responsible for health, make the following regulations -

Citation and commencement

1. These regulations may be cited as the Public Health (COVID-19) (Risk Determination and Mitigation Measures) Regulations, 2021 and shall come into operation on the date of publication in the Gazette.

Interpretation

2. Unless the context otherwise requires -

“COVID-19” means Corona Virus Disease of 2019, caused by Severe Acute Respiratory Syndrome-Corona Virus 2 (SARS-COV-2);

“electrostatic spraying” means a method of spraying disinfectants that is proven as the only one which can achieve the required even-coating-of-surfaces, especially in hard to reach places;

“essential services” means goods or services as set out in Schedule III;

“face mask” in the case of -

- (a) the general public, means a mask or material which covers the nose and mouth in compliance with WHO hygiene and safety standards for the purposes of preventing and controlling the spread of COVID-19; and
- (b) a health officer or personnel, means a surgical or N95 mask;

“institution” includes a Government department, Government agency, Non-Governmental Organisation working in collaboration with the Government in providing goods and services, and a care facility for vulnerable groups;

“lockdown” means the restriction of movement of persons in accordance with the COVID -19 Risk Determination and Mitigation Measures set out in the Schedule I and as may be determined by the Minister;

“place of residence” includes the dwelling place and surrounding yard;

“polymerase chain reaction (PCR) test” means a technique for rapidly producing of many copies of a fragment of DNA or RNA for diagnostic or research purposes, which is conducted in a laboratory setting;

“Risk Determination and Mitigation Measures” means the official document which determines criteria, guidelines and the colour coding system and different stages of infection rate set out in Schedule I; and

“security officer” means an officer of an agency deployed pursuant to regulation 17.

Prevention of introduction and spread of COVID-19

3. (1) No person shall be permitted to travel to and from Lesotho, except under the following conditions and as set out in Schedules I and II -

- (a) a person who wishes to travel shall -
 - (i) adhere to WHO Health Protocols and Safety Measures provided for in Schedule I; and
 - (ii) provide a negative PCR COVID-19 test certificate issued within 72 hours before travelling, upon arrival at the port of entry or departure at the port of exit and as set out in paragraph (b); and
- (b) the negative PCR COVID-19 test certificate referred to under paragraph (a), shall contain the following -
 - (i) names of the traveller corresponding to the names in his passport or any other identity document;
 - (ii) a serial number which is not duplicated;
 - (iii) a clear and visible proof that the certificate is issued within 72 hours;
 - (iv) a date on which the swab was taken and on which the tests results were received and submitted to the traveller; and
 - (v) the name of a testing laboratory approved by the

Minister responsible for health.

(2) The negative COVID-19 PCR test certificate referred to under subregulation (1) shall be valid for a period of 14 days from arrival at the port of entry.

(3) Notwithstanding subregulations (1), and (2), the Minister responsible for home affairs, or a person designated by him, in consultation with the Minister responsible for health may -

- (a) in addition to the criteria or guide set out in Schedule I, determine a criteria, guide or protocol, to restrict movement of international travelers into Lesotho who test COVID -19 negative; or
- (b) issue a directive for closure of a port of entry into Lesotho with immediate effect.

(4) Moshoeshoe I International Airport and all national airports shall be closed, and commercial and private aircrafts are suspended.

(5) A person -

- (a) is prohibited to move beyond his place of residence or workplace except as set in these Regulations; and
- (b) shall, while in a public place, wear a face mask, except where a security officer requires that he remove the mask for security purposes.

(6) A health worker, security or border agent shall wear a disposable face mask and a deaf person and a person who frequently communicates with the public while providing a service, shall wear a transparent mask or face shield.

sary hygienic standards for people who cannot isolate or quarantine in their place of residence.

(6) Notwithstanding subregulations (1), (2) and (3) a person entering Lesotho from high or low risk country with or without signs and symptoms of COVID-19 or health personnel who is exposed to a confirmed case of a COVID-19 patient shall be quarantined, isolated and tested, and upon receipt of results, if they test negative, shall be cleared by the Ministry of Health and released from quarantine or isolation without waiting for the lapse of the 14 day quarantine or isolation period.

(7) A person who transports COVID-19 tests or swab specimens, using any means of conveyance including a drone, shall do so in accordance with approved national transportation guidelines to be issued by the Minister in consultation with the Minister responsible for transport.

Travel between districts

12. No person shall travel from one district to another, except for purposes of providing or obtaining essential services, or attending to emergency.

Authority to issue directives

13. The Minister may issue directives to address, prevent and combat the spread of COVID-19 in any area of Lesotho, which directives may include -

- recruitment and training of human resources in respect of health;
- deployment of human resources in respect of health services;
- sourcing of human resources from retired health

professionals and non-governmental organisations to render services in identified sites;

- (d) the criteria for controlling the entry into the country from countries with high COVID-19 infection and transmission rate;
- (e) identification of health equipment, sanitation materials and medical supplies;
- (f) identification of mortuaries that will accommodate all COVID-19 mortal remains; and
- (g) disposal of COVID-19 mortal remains.

Offences and penalties

14. (1) A person who contravenes regulations 3(5), 7(3), (4) and 8(2) commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or imprisonment for a period not exceeding one month or both.

(2) An owner, a manager or person in charge of a business who contravenes regulations 3(12)(e), (12), 4(2), 6(1), (2) and 8(1) commits an offence and is liable on conviction to a fine not exceeding 10 000.00 Maloti or imprisonment for a period not exceeding two months or both.

(3) In addition to the penalty set out in subregulation (2), a business or enterprise which contravenes these regulations shall have its license suspended for the period of the lockdown.

(4) A person who fails to confine himself in accordance with regulation 3(4) commits an offence and is liable to a fine not exceeding 5,000.00 Maloti or to imprisonment for a period not exceeding one month.

(5) An owner, a manager or person in charge of a business who contravenes regulation 9 commits an offence and is liable on conviction to a fine not exceeding 20 000.00 Maloti or imprisonment for a period not exceeding two years or both.

(6) A person who tests positive but refuses to be quarantined under regulation 10 commits an offence and is liable on conviction to a fine not exceeding 20,000.00 Maloti or compulsory quarantine.

(7) A person who publishes or spreads fake or false information commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or to imprisonment for a period not exceeding one month or both.

(8) A person who refuses to be screened or tested for COVID-19 commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or imprisonment for a period not exceeding one month, or both.

(9) A person who intentionally and maliciously damages a drone referred to in regulation 11(7), commits an offence and is liable on conviction to a fine not exceeding 20,000.00 Maloti or imprisonment for a period not exceeding two years or both.

(10) A law enforcement officer -

- (a) shall, where a gathering is in contravention of these regulations order a person at the gathering to disperse immediately, and if a person refuses to disperse as ordered by the law enforcement officer, the officer shall take appropriate action which may, subject to the Criminal Procedure and Evidence Act, 1981³, include the arrest and detention of any person present at the gathering;

- (b) may, if he suspects that a person is hoarding medical supplies in terms of subregulation (11) and he has a search warrant, enter the premises and shall seize the medical supplies or any products or items found on the premises which are suspected to be medical supplies required to combat COVID-19.

(11) A person who facilitates the issuance of or presents at a port of entry, a false negative COVID-19 test certificate, commits fraud and may be detained or arrested, subject to the Criminal Evidence and Procedure Act, 1981.

(12) A person who hoards medical supplies which combat COVID-19 during the period of lockdown commits an offence and is liable on conviction to a fine not exceeding 20,000.00 Maloti or to imprisonment for a period not exceeding two years or to both.

(13) A person who contravenes regulation 3(4) and 4(3)(d) commits an offence and is liable on conviction to a fine not exceeding 50,000.00 maloti or to imprisonment for a period not exceeding three years or to both.

(14) An area chief, a headman, church priest or a family member responsible for organising the funeral who fails to comply with regulation 3(13) and (14) (b) commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or to imprisonment for a period not exceeding six months to both.

General penalty

15. A penalty for an offence where no penalty is provided for shall be a fine not exceeding 5,000.00 Maloti or imprisonment for a period not exceeding 1 month or both.

Traveling will be in accordance with the approved guidelines

Approved COVID-19 testing of all commercial cargo vehicle drivers and all those who cross into the country at ports of entry. Lesotho citizens shall be quarantined for PCR testing. Only negative foreign drivers and other persons shall be allowed entry. Positive foreign commercial cargo vehicle drivers and persons shall be denied entry. Positive citizens shall be quarantined for PCR testing. Daily commuting workers are not allowed.
